

Dual Language Immersion/Two-Way Program

Dual Language Immersion/Two-Way Programs

are based on the premise that two groups of students (each with different home languages, in the United States one being English) learn together in a systematic way so that both groups become bilingual and biliterate in the two languages.

Come join us to learn about the new Dual Language program at Lamar Elementary for the 2019-2020 school year!

This program will be open to enrollment of incoming Kindergarten students residing in the Lamar Elementary attendance zone.

Some benefits of Dual Language Immersion/Two-Way Programs:

- **Students develop full oral, reading and writing proficiency in two languages**
- **Students achieve at levels that are similar to or higher than those of their peers enrolled in other programs on standardized tests of reading and math in English**
- **Students are able to read and write at grade level in another language**
- **Students in DUAL LANGUAGE programs develop very positive attitudes about students of other language and cultural backgrounds, and positive attitudes toward themselves as learners**
